400 W Russell Street, Saline, MI

Come join us for our **1st Annual Arti Gras celebration!** We'll be unveiling the community collaborative art piece, **Sum of the Parts**, and enjoying other works of art, as well as light refreshments. **Everyone is Welcome!**

Spend an exciting evening with Salt Valley Arts:

- Join us for the grand unveiling of our community art project, **Sum of the Parts**
- Take in a fabulous exhibit of artwork by participating artists, and by the talented students of Salt Valley Arts Instructor, Keith McGuire
- Partake in all of the **fun, revelry,** and light refreshments!

Sum of the Parts will feature the work of 36 artists. Each artist was assigned a randomly selected 4x6-inch section of a well-known work of art, and a 9x12-inch panel on which to recreate their assigned section using their individual creative style and own choice of media. The work of art will remain a mystery to the participating artists, and all attendees, until the moment of unveiling. **Don't miss it!**
